

AppyFeet is the first commercial garra rufa fish spa chain in England with an established store in Meadowhall, Sheffield and with a roll-out program of 16 new locations this year alone. A brand new concept that will be one of the fastest growing businesses in the UK, focusing on alternative therapies as an alternative to a manicure and a pedicure.

We all love working here in a happy, friendly environment, making people laugh and sharing a great experience. We are all about well-being and the feel good factor. If you like to provide a friendly and efficient service with a smile then you will fit right in!

We are looking for enthusiastic, flexible, pro-active, outgoing, reliable, hardworking people, who can work well as both an individual and be a good team player. A high standard of customer service is essential.

We do need staff to cover 1000am – 1000pm and the centre is open over 7 days a week. Roles are initially for 8 weeks duration and the best staff will have the opportunity for a supervisory/more permanent role.

Ideal candidates would have previous Retail experience.

See the website [www.AppyFeet.co.uk](http://www.AppyFeet.co.uk) to find out what the business is all about.

If interested then state the hours that you could work and email with your CV to [info@appyfeet.com](mailto:info@appyfeet.com)

and please mark the email YORK.

Assistant Manager

Your daily responsibilities will include:

Managing the store operation when the Store Manager is not present

Assisting the store manager in informing and communicating with the spa team.

Supporting and developing junior staff.

Undertaking maintenance of system.

Dealing with the cash procedures on site.

Dealing with customer queries.

Working on a till, as well as ensuring a clean and safe working environment.

Being efficient and pro-active with duties that need attending to.

You will need experience of a management or supervisory role within a customer service retail store.

This role includes in shop presentation and other administrative duties but most of all it involves talking to and building relationships with our customers. Your role is pivotal in creating a successful spa as you will be, at times, responsible for the shop and its team ensuring our customers receive an unforgettable experience on every visit by providing exceptional customer service at all times.

You will be expected to promote our service in an enthusiastic and friendly manner.

High personal standards are a must, you will need to have a positive and flexible attitude, be well presented at all times.

You must be trustworthy (as will be a keyholder) and reliable.

You will be provided with Appyfeet shirts but you need to provide your own black trousers and shoes.

Please state current/salary requirements.
